DETAILED ACTION

Allowable Subject Matter

1. Claims 1-28 are allowed for the reasons set forth by applicant in the arguments filed 5/23/2005. It is this searching feature, in combination with the remaining elements and features of the invention, that the applicant's invention defines over the prior art of record.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
